

VICTORIA CHAMBERS,

17, VICTORIA STREET,

LONDON. S.W.

22nd March 1897

Dear Dr Dawson,

I have much pleasure in introducing to you Mr. W. Gregson, F.G.S., F.S.I., the local honorary Secretary of the Yorkshire Geological and Polytechnic Society.

Mr. Gregson is going to Canada to take part in the British Association meeting and I am sure you will be glad to

to make his acquaintance.

He has been kind enough to devote some time and trouble during the last year to bringing the advantages of Canada before the public in his district.

Believe me,

Yours very truly,

J. G. Colman

George M. Dawson Esq.,
