

Hornnton Lodge,

Kennington W., 19 March, 1901

Dear Mr. Pope:-

I am very much obliged to you for your letter of the 3rd March.

I was deeply grieved to see the announcement of the death of Dr. Dawson. I had the greatest regard for him and know that in his own line he had few equals in the world. I wrote at once to Lord Hinto, the Governor General, who is an old friend of mine. I have no doubt he would let Mrs.

Dawson see my letter as it might be a pleasure to her. I can only repeat to you what I said in effect to the Governor General. It is not possible to overrate the services which Dr. Dawson rendered us in the Behring Sea Arbitration. I consulted him throughout on many questions of difficulty and never found his judgment to fail, and he was one of the most unselfish and charming characters that I ever met. I consider it a great pleasure to have known him.

Yours faithfully,

Alverstone.

J. Pope, Esq.,

P.S. If any memorial is proposed to his memory I trust I may be permitted to subscribe.
