

DEPARTMENT OF THE INTERIOR
U. S. GEOLOGICAL SURVEY
WASHINGTON

March 12, 1900

Dear Lady Dawson:

I read with great pain and regret, the announcement of the death of your son, Dr. George M. Dawson. It comes as a personal loss to all American geologists, and I assure you, you have the sympathy of all in your great sorrow.

Sincerely yours,
Chas. Walcott

Lady Dawson,
Montreal,
Canada.
