Dear Sir, I am much obliged  
for your acknowledgement of  
the shells that I sent to the  
Museum; and your notes  
as to the names, which I am  
glad to have.

I am sending to you  
herewith in a small box  
some sections of shells which  
I have tried to make. They  
are only fairly successful;  
but I trust that they may  
be of interest for the Museum.

Yours very truly,

W. Bell Dawson.
