Dear Rankine,

Your postal card  
and letter to Eva arrived  
of last mail. The latter  
was sent on a parcel  
of Metis. Marime was  
just left for that place,  
and I remain here for  
a fortnight longer. Wilz  
Ciam is in Nova Scotia,  
and has already com-  
menced his work.  
You do not tell

P.S. Dr Mrs Howard leaves for  
Morrow. Their address in London  
I shall be glad if you can call and  
see me. God.

As much of your plans  
as prepared, so we can  
only hope for your success  
in a general way. Do  
not prep too hard,  
that is your fault, and  
emphas a want of  
faith. I can assure  
you a few years hence  
you will look back  
with surprise at your  
present restlessness and  
I hope not also with

In England of steamers of to 2

and it will be glad to W.

regret.

I shall hope to get some  
Museum work done in  
the next two weeks;  
but unfortunately there  
is the prospect of much  
time being occupied with  
college finances, which  
are in a very bad  
state, owing to the fall  
in the rate of interest,  
and we shall probably  
have to go begging again.  
By the way advise

me always when you  
drew on the bank,  
that I may be sure  
to leave enough to meet  
the cheques when they  
come out. I shall  
arrange about this  
for the summer when  
I leave town.

My dear Rankine  
I wish you all prosper; but  
do not worry and push as if  
all the work of your life had  
to be done in a year or two,  
Mamma desired me to send  
her warm love.  
Ever your affectionate  
father  
W. Dawson
