Dear Rankine,

I write a  
note to day to say  
that Mr Donald A. Smith  
Lady Smith & Mrs Smith  
leave this afternoon  
for London. They will  
be at Brown's Hotel  
22 Dunc St. I have  
mentioned to Mr Smith  
that you are in London  
and shall be glad  
if you can call.

Dr. Will College.

Mr. Smith I believe  
is in delicate health  
and is going for  
advice & treatment.  
They are to be England  
only for a short  
time, at least  
he expects to be  
back in July or  
August.

Please mention  
this to mamma & Mr.

Mr. Snow is so  
just a friend to  
the village that I  
could wish to thank  
him any attention.

From Mrs. Marrison's  
last letter I infer  
that you shall think  
of returning to the P.O.  
I hope it will  
not be necessary to  
leave before I get  
me, and shall

Be glad if you can  
wait till the next  
Association.

I think I wrote  
last week about the  
kind offer of hospitality  
on the part of the  
Local Committee.

With all love  
ever yours,

Wm Dawson
