

To Montreal

Birkenshaw,

Little Metis.

July 26/89

Dear Rankine,

Your telegram  
arrived yesterday and  
we rejoice at your  
safe return from what  
we hope was a pleasant  
and useful journey.

We shall hope to  
learn this evening  
that you can  
come to see us  
here, and perhaps

#

Windsor  
Little Falls

That you are satisfied  
that ~~the~~ future  
of Canada is better  
than that of  
Australia.

If not, I shall  
be glad to run  
up to Quebec to  
meet you before  
you leave, and I  
think mamma  
would wish to

for too. His not  
much of a journey  
I went up last  
week to meet Capt  
Stewart on Logan  
estate business.

I have received  
no letter from you  
though I left your  
name at the P.O.,  
and have received

Your advertisement  
pamphlets in due  
course. Perhaps how-  
ever it might be  
well for you to  
enquire.

Hamilton has  
directors to do all  
he can for you at  
the College. Weather  
here fine, sunny &  
cool. Ever yours  
J. MacDermott
