Dear Rankine

I have your  
letter, and all I can say  
is—may God guide you  
to wise conclusions.  
We all pray that it  
may be so, and  
if you must go will  
be resigned. We shall  
hope however that it  
may be otherwise,  
and in any case  
that we may see  
you once more before  
leaving.

I have been writing

Some letters about  
Hospital sites; and  
enclose one. A third  
comes on to-day for  
insertion & I hope will  
be in Gazette of Tuesday.  
The letters enclosed may  
give you some help for  
Montreal,

Ever yours

Wm Dawson
