Dear Rankine,

I have in
much weakness read over
the MS for the 'Seen of Palms'
and the marginal notes per
Dr King added and have
had the whole re-copied
with addition of such of the
marginal notes as seemed
necessary. I now return
it & hope you will find
it much improved.

If you can make
and expedite in 24 Pontreux
Rome, and present my cord

To Mr Hodder & M
Slaughter, perhaps they
may undertake the re-
print of the booklet, though
it will be too late now
for Christmas or New Year's
sales. I fancy as you say
me that Jany de Guinees is
too busy with other matters
should it or I decline please
inform me and I shall
if spared to receive your
reply, see if anything can be
done here. Love and all
good wishes to you & Glen &
Baby, from mother & me
Yours ever J. D.
