PRESENTATION

As soon as the Dean or his deputy rises to present the candidates for a particular degree or diploma, all those in the first line of seats in that division stand and go forward as directed, the first candidate proceeding directly up the steps to where the Dean is standing. The Marshal will indicate to the students following when it is their turn to proceed to the Dean. Members of the Scarlet Key Society will tell each row of candidates when to stand and move up to the stage.

ON THE STAGE

Students will mount the stage and will pause as they come to the Dean, or his deputy, of their Faculty. The Dean or his deputy will call the names in order as printed in the program. Candidates should therefore be careful to see that they follow each other in this order. Each candidate should whisper his name to the Dean or his deputy as he approaches him.

When his name is called, the candidate will walk up to the chair of the Chancellor and pause quietly close to and directly in front of him so that the Chancellor may cap him or shake hands with him.

Please walk right up to the Chancellor and stand still facing him so that the degree may be conferred in a dignified and unhurried way.

After the degree or diploma is conferred graduates will proceed backstage to obtain their diplomas and will then return to their seats.

SMOKING

Smoking is not permitted during Convocation.

DIPLOMAS, PRIZES AND MEDALS

Prizes and medals won by students will be announced by the Deans when they are presenting the winners for their degrees, and will be given out with the diplomas.

CONCLUSION

When the proceedings are concluded, graduates will please remain standing until the Platform Party has left the hall.

The diplomas of those who pay this fee are mailed to them after Convocation. Such students should give the proper address to the Registrar's Office after they pay the fee.
