PROFESSOR

MONTREAL

Nov. 25./31

Dear Hatcher,

Herewith list of classes in Fac. of Arts +
Science carried on in our Dept. I have given the times
we occupy this session but these are quite elastic as
every endeavour is made to fit in times with the
students time table. I would like if possible to keep
course I fixed for Thursday afternoon. You can juggle
the rest to suit the time table but they must be kept
to the afternoons as Mon - Fri mornings are filled by
the Fac. of Medicine in this Department
