May 29th. 1907.

Dear Fen:-

The news of poor Ned's death was not unexpected. It was surprising, indeed, that he lasted so long.

Mrs. Divine, who was a granddaughter of Benjamin Osler, lives at 18 Upper Union St. Gardens, Cape Town.

All well here. I wish you would make up your mind to come over before long. You would enjoy Oxford so much.

Ever yours,

M Osler
