Dear Sir U.S.A

I try to thank you
for your cheque for one
Guinea, received for Mr.
Panton for the drawing
of Swelme - & glad it will
be of service to you -

I have a great number
of sketches of Oxford, both
in Water colour & Black &
White for re-production,
having brought out a
series of "Picturesque Old

Open' views, also colored
Post card reproductions
Should there be any
special view required,
for your purpose, I
should be happy to
draw it for you -

With many thanks

Yours faithfully
