

To Dr. Flick from Dr. Jacobs.

Baltimore,
May 13, 1904.

Dear Dr. Flick:

I find that several names from Philadelphia of gentlemen who were present at the meeting at the College of Physicians on March 28th have inadvertently been omitted from the list sent you last night. They are:

Doctors Coplin, Craig, Lewis, Fettermann, and Wilcox of Philadelphia;
Dr. Detweiler, Williamsport;
Dr. Josephus T. Ullom, Germantown;
" Kinyoun, Glen Olden;
Mr. Elwell Stockdale, White Haven Sanitarium, White Haven, Pa.

These names have been added and certain corrections made in initials, etc., of other names on the list. Similar corrections have been made in other states where names were omitted of those present at the meeting in Philadelphia. Believe me,

Very sincerely yours,

Henry Barton Jacobs.

Your letter enclosing Constitution has just come. Thanks for corrections.
