

To Dr. Jacobs from Dr. Flick.

Philadelphia,
May 16, 1904.

My dear Dr. Jacobs:

Your letter of 13th inst. to hand. I herewith enclose you a list of doctors to be invited with some additions from Philadelphia. The men whose names I have added are all doing tuberculosis work.

I herewith also enclose a letter which was evidently mailed me by mistake.

Yours truly,

Lawrence F. Flick.
