

To Dr. Flick from Dr. Jacobs.

Narragansett Ave., Newport,
July 4, 1904.

Dear Dr. Flick:

I beg to inform you that at the recent meeting of the Executive Committee of the Association for the Study and Prevention of Tuberculosis, you were named by the President of the Association, Dr. Trudeau, a member for the United States of the International Central Bureau of Tuberculosis. The other members representing this country are:

Dr. William Osler, Chairman,
" S. A. Knopf
" Herman M. Biggs
" Vincent Y. Bowditch.

Believe me, Very sincerely yours,

Henry Barton Jacobs,
Secretary.
