

To Dr. William Porter from Dr. Flick.

Philadelphia,

November 4, 1903.

Dr. William Porter,
Washington Boulevard, St. Louis.

My dear Dr. Porter:

Your letter of 1st inst. to hand. I am glad to learn of your sanitorium and to know that you are working in the interest of the crusade against tuberculosis. I take pleasure in sending you under separate cover some literature which may be of help to you.

The Henry Phipps Institute is endeavoring to bring the International Congress on Tuberculosis to America in 1905 and preliminary to such a Congress is endeavoring to organize the workers on Tuberculosis in the different states so that united profession may meet our brethren from the other side. I would be glad if you could send me the names of the men in your state who are working in the crusade against tuberculosis.

Yours truly,

Lawrence F. Flick.
