

People have been organizing it. Since for ex. also Klebs, M. ...  
Klebs had organized a ... in Chicago. A form of it in the Chemical Society

Innocentius 1903

An expedition at the Med. Chi. Faculty. W.D. had all old notes laid out. Some of Babcock's notes.  
Jacobs had W.D. into date. Inventions sent around, it is probable something.  
W.D. was Chairman of the Organizing Committee or called meeting at N.Y. ...  
Else Haeger might have a copy. Klebs sent the local notes!

CUS417/14.51

W.D. wanted Klebs to write the history in English - kept at bay of their thro' Broomer.

The Association that year or the next was organized in Atlantic City (?)

Refugee journal of ... was Broomer & Dittmar before 1882  
ie the last one.

Kraff has all the details - minus glossary of var. of associations.

What happened at Baltimore a July 26<sup>th</sup>

A Committee must have been appointed to hold meeting in N.Y. July 27<sup>th</sup>  
A memorandum was submitted to this committee by Dr. Denise Lewis.  
It proposed some long program.

When were to consider formation of a National  
Committee to discuss ... at Paris ...  
to consider the ... of ...  
to the proposed International Congress.

W.D. seems to have been made Chairman and their meeting  
making adjustment to meet again

Mon 4 suggesting that this meet ... the end of March at  
the time of Maragliano's lecture & invite all T.S. ...  
3 PM

Agreed upon Monday March 26<sup>th</sup> at College of Phys.

Official intermediary exchange of letters. W.D. sent out invitation March 16

Success to Maragliano same day

Many letters were received ... some confusion

A United States Faculty for the Study of Tuberculosis was organized at  
the afternoon meeting. Letter meeting in N.Y. ...
