

To Dr. Flick from W. O.

1 West Franklin St.,
Baltimore,
(undated)

(probably has 11, in ans. to Dr Flick's of 10/14)

Dear Flick

Would not Saturday be a more convenient date. Many of the men have suggested it, as Sunday is a dies non and a day is saved in this way. You could rush the translation. Does the Italian speak English?

Let me have a line as the notices should go out by Tuesday.

Yours,

W^m Osler.
