

To Dr. Flick from Dr. Knopf

New York City,
March 18, 1904.

Lawrence F. Flick, M.D.

My dear Doctor:

I received your favor of yesterday and thank you for your cordial invitation. If nothing unforeseen prevents me I shall certainly avail myself of the pleasure of meeting you, Dr. Maragliano and other distinguished men interested in Tuberculosis at the luncheon on Monday, March 28th.

Very sincerely yours,

S. A. Knopf.
