W.O. to J. George Adami.
Saturday (Autumn 1916)

CUS417/2.17

Dear Adami,

Many thanks for the list - not a bit too long.

I had a great shock yesterday at Clevedon. Do you think it possible that Gorrell could have been fool enough to take graft himself? It is a most distressing affair. I am so sorry for Miss Campbell, though I cannot see how she is implicated.

Sincerely yours,

Wm. Osler.
