(hand-written)

W.O. to Sir Sam Hughes.
Sunday Sep. 24 1916.

CUS417/2.18

Dear General,

My interest is purely professional and due to the fact that I am consultant at several of the Can. Army Hospitals. The statement is that the Hospital Committee was appointed without consultation with Gen. Jones as to the desirability etc. or to the personnel. What I wish is a plain yes or no answer to my question, whether or not this was the case.

Faithfully yours,
Wm. Osler.
