Dear Sir William,  
Your favour of the 4th inst. was duly received and noted.  
The whole question of Taplow was gone into very exhaustively by a board of Officers and as far as I am concerned I feel that their findings are not only right but were very much on the side of leniency, and I think that consideration will show you that no injustice has been done to anyone.

My kindest regards.

Yours faithfully,  
John W. Carson.
