Dear Miss Campbell,

To this I have replied as follows:

Dear G.

Could I see the findings of the Board? Or could

I know the specific charges against Miss Campbell?

The cruel thing is to ask her to leave under circum-

stances that implicate her character for honesty.

The matter cannot possibly rest where it is. Have

the specific charges been sent to her?"

Yours etc.

I think you should consult Mr. Astor or Mr. Donald MacMaster.

Did they say definitely why you were removed.

please return. W.O.
