Mrs. Millar

Dear Sir William,

Replying to your letter of the 6th inst., I regret that there is no immediate prospect of Mrs. Millar being appointed to the C.A.M.C. Nursing Reinforcements (from 50 to 75) are now being sent from Canada every month so that leaves us little opportunity for recommendations from this office; however, I shall keep her name in mind and forward it if occasion presents. I may add that when Mrs. Millar called at this office she informed me that she would not have the least difficulty in obtaining work of the sort she wanted.

You may remember having written me some little time ago regarding Miss Mabel Macdona^{el} whom you felt had not received due consideration from the British Red Cross authorities. After her appointment to our Service I learned that the Hon. Arthur Stanley had offered her one or two posts, both of which she declined, so that you see after all she had no cause for grievance.

With kind regards and all good wishes to Lady Osler and yourself, I am,

Yours sincerely,

M. C. Macdonald,

Matron in Chief
of the Board
of the Canadian Army Medical Services
For D.M.S.

Canadian Contingents.
