Dear Sir William,

I am working along here and, as I think I told you, we are going to have a reorganisation. Foster is coming as D.M.S. and I am to have a somewhat roving commission as Inspector. I shall probably go to Canada first for two months, there are many problems there to report upon. I hope to get the whole matter by Sir George if you are in town could I see you.

Yours sincerely,

J. G. Jones.
