May 1st (1912).

Dear Mrs. Jacobs:-

I am sending you three photos which I though might interest you. These are of some of the carvings on the walls of St. Marks & one of the staircase of the palace of the Doges.

Dad came home looking splendid, his trip has done him a lot of good.

I am just going back to school so perhaps you will excuse this hurried letter.

My love to Dr. Jacobs,

Yours hastily,

Revere.
