(Mr. James Ford Rhodes)

13, Norham Gardens, Oxford.

---- 26th, ----.

Dear Rhodes

It is so kind of you to wish to look after my comfort in Boston. I am afraid that I cannot promise you an evening. My stay there will be very short, and I have already two engagements. Lady Osler is not coming with (me?)

Your lectures are much appreciated. I shall be so sorry to miss Mr. Adams.

Hoping to have the pleasure of seeing you both, & with renewed thanks for your kind invitation,

Sincerely yours,

W^m Osler.
