Allen on Surgery of the Lung ^{ed} Med. News May 1886

Discovered Howard Kelly

Allen Surgery

Index in subjects the possible fundation and surgery.

cf. Mercantile article for further exposition Ed. Med. News, 1886

in 2 long editorial

Promptly reported this in editorial - of long quoted for opponents.

Kocher

This matter, - as Stanley, operations were in surgical correspondence

There is nothing new about this in America. Cf. May, method
of Henry James, with Effusion which also advocated at
the Penn^a. Hospital. Med. News 1886, XLIX, 645-

W. O. Wood

~~Jan. 1865~~

Gen. Ann. Journ. Med. Sci., X ~~Aug. 39~~ 31-37

Lepidoptera in *Natura perniciosa* artemisiae, Ann. Mus. Nat. Hist. 26 1867 p. 211

On Cholecectomy Mar 12 1867 p. 298

Order with order of Physics and Geom. for Copies of days.

of the Actinomyces Edelweiss Med. News, Nov. 7 1860 -

was ref. to Engr. ^{other} ~~that~~ cases will be detected when
Engr. attention drawn to subject -

etc,

Just as in Africa a train in Europe

Order just found more important

Train of Hurdles

enough to show Institute,

Myself

As they are written that know,

Made a few pieces, in the laboratory

The Survey has almost succeeded the purpose in
organization? ~~College of Phys. Eng.~~

~~but~~

College of Phys. Eng. absent.

There all of day absent - some other agency.

Clinical Studies.

Arrive of Survey 1

Time of Phys 2 of the 5 quarters -

Dependent to August 1st - End of program on a whole
