

Wheeler's surgical judgment.

COS 417/31.3

McCrae

Editorial: Removal of a brain tumor. (Unsigned).

Regarding Jodles' successful, first case of Trepan Per. Hosp.

Med. News, Jan. 17, 1885, xlvii, 75.

Ways not to be discouraged,

Chas. Francis' forecast that the doctrine of cerebral localization

would have a explosive surprise appreciation

of Jacksonian Epilepsy.

Refer to his own case as probably of cerebral
