

Osterberg.

CUS 4/17/31.5

Slip in somewhere. Clifford Abbott on the Protons syringe. No fear of minor surgery for
physicians. Osterberg. One year paper on syringe or its use of treatment
Med News. 1582 x L1 113. Editorial in Med News by (?) citing recent contributions to
Med News by Osterberg & J. Carlson. Speaks of the hospital first involved - does
not do for all cases - requires formula - some with reaction. etc.
