Greetings to Mrs. Yarrow.

1 West Franklin St.

Sunday.

Dear Yarrow:

Maj. Phillips was here yesterday p.m. He seems to want Kelly to be at the operation, if not to do it. I told him that Stavely could do it quite well and that I was sure Kelly would be only too glad to be present & give his advice and help.

Sincerely yours,

W. Osler.

Let me know how the girls are.
