(Typewritten)

(Miss Adelaide E. Proctor, Cumberland)

1 West Franklin St.,  
Baltimore.

Dec. 17th, 1902.

Dear Miss Proctor:

I had hoped to have written you before thanking you for the pineapple, and to find out how you are. You do not say in the letter received today. I hope you are feeling very well. Take good care of yourself, and do not run any unnecessary risks on the bad days.

With kind regards, [added in handwriting]; to your mother & yourself

Sincerely yours,

W<sup>m</sup> Osler
