Dear Miss Proctor:

It is a great pleasure to hear from you and I am delighted to hear that you have almost forgotten how to cough. Do give your mother and your aunt my kindest regards. I am so sorry to hear that your uncle has writer's cramp which is a very troublesome and obstinate affection. To be perfectly frank it is a trouble I do not know much about. I think it would be better if he went to Baltimore and consulted Dr. H. M. Thomas who knows all about the disease and could give him excellent advice.

We continue to like our life here very much, though I miss my old friends.

Sincerely yours,

W^m Osler
