(Handwriting)

(Miss Adelaide E. Proctor, Cumberland, Md.)

13, Norham Gardens, Oxford.
27th (Dec., 1914)

Dear Miss Proctor

It is nice to be remembered by you & with such a dear little booklet. I hope all goes well with you. Do you ever cough now? Your case was always one which has given encouragement & hope in the great battle against tuberculosis.

We are deep in a great struggle, but very full of hope that democracy will win against absolutism & autocracy. With best wishes for 1915

Sincerely yours

W^m Osler
