Dear MacAlister,

It would only be an additional 12 or 13 card addressed to "Mess  
Room" Hospital ; Any expense I would bear. Col.  
Washburn will send the names, at once. That would be a great help.  
I will write to the P's. R. Colleges about the notices of lecturing etc.  
I do not see that more can be done at present. Throw any work about  
it on me and any expense.

Yours sincerely,

Wm. Osler.
