Plan,

W.O. as much as anything hoped to follow it after the
first treatise of Albrecht von Haller "Bibliotheca Medicinal
Practica" and finally to come later on to be
influenced by the "Bibliotheca Chemica" prepared by John
Ferguson then ¹⁹⁰⁶ Regius Prof of Chem. in the University of Glasgow
then they were to be arranged as he had arranged the books at Chich.
at least I judge so.

W.O. too had intended perhaps, as did his great forerunner
Cervinus, to produce an autobiography in which his
catalogue of books in his great predecessor Cervinus' library
