10. RUDIUS (E. ab. tuchin's)

Indicate a few volumes. The *Christianismi Restitutio* (Servetus) 1553. contains these ^{pencil} notes in the handwriting of Donal Payne "Extremely rare. This is a reprint made at Nuremberg of the original of 1553 of which most copies were burnt along with the author. One remains in the Bibl. National Paris. One at Vienna. The not known from which copies this reprint was made but probably it was from that at Vienna. This reprint has now become very scarce and difficult to obtain. This copy came from Grand Pathe's library" J.F.P.
On the opposite leaf W.O. has written. "Left to me by Dr. J.F. Payne and sent by Mrs. Payne 9.14.11.
