NOTES FROM BOOKS April '09

the 1761

Inventum Novum Leopoldi Auenbrugger MDCCLXI.

Notes on fly leaf.

I had been looking for this first edition for several years, and had missed it on three or four catalogues.

In Nov. Dr. Pick got a copy for me in Prague for which I paid 90 marks. This I got for 1½ fancies! A letter from Dock this eve says that J. Rosenthal of München offers him a copy for 325 marks.

W. Osler.

I got this at Laeschers Rome in January.

March 26. At Burgersdijk and Neermans sale 6-11 March 1916 No. 47. the 1761 Auenbrugger was not sold, and they offered it to me at 3½ florins! I took it! and gave the copy to _____
