LONDON's Dreadful

It is a sad thing to see the streets of London  
filled with the bodies of the poor and the  
suffering.

IV.

The streets of London are a scene of  
desolation and misery. The poor  
suffering people are everywhere to be  
seen. The streets are filled with  
the bodies of the dead and the  
suffering. The streets are a scene  
of horror and despair.
