

Dear Osler,

CUS417/35.64

Here is Jean Astruc for you in complete form.

Without your impulse he would have remained so far as I knew him in the dark.

Can you kindly send me on a p.c. the name and address of the young clerical Don who was at the meeting? Not Dr. BuchananGray.

Yours very faithfully,

A. R. SIMPSON.

Professor
From/A.R.S. Kennedy.to W.O.
