THIS IS NOT AN APPEAL

My dear Dr. Cushing:

The Board of Managers of the Boston Young Women's Christian Association would like you to know that, through the generosity of a few old friends, we have purchased the land at the corner of Stuart and Clarendon Streets. Those who have already heard this good news are as delighted with the choice of the location as are the members of the Association.

In the fall of 1924 we are planning to raise the money for a new building which shall contain a much desired swimming pool with lockers and showers exclusively for women; a completely equipped gymnasium; class rooms and club rooms; parlors, cafeteria, auditorium, and bedrooms.

You have helped to make possible the continuance and increase of our work up to the present time, and we are asking you to bear in mind the fall campaign for our new building, when we shall hope to again have your help through service and gifts.

Meanwhile, if you wish to renew your former contribution, it would greatly facilitate the financing of the work which must be carried on before the large public appeal is made to the citizens of Boston.

Sincerely yours,

*Robert M. Cushing*
