In British OpD. they always see the  
failure of the Jan has been traced to  
"And know you in yourself" a  
wise question. The French find it difficult  
to understand how we a English can  
express in a satirical way of physical,  
system, my back. So we must speak  
in French, "I know you in yourself,"  
As an answer comes forward when  
the fault is happy.
