Fred Johnson to Sir William Osler.
11th June 1913.

8 Theatre Street,
Norwich.

Dear Sir,

I returned here on Monday night and your letter of the 9th came on to me. If you will send me your and Dr. de Haviland Hall's MSS. I can I think get to work on them at once. I presume you wish them collated with the first authorized edition of 1642. I write from recollection and I may be a year or so out as to the date.

Yours very truly,
Fred Johnson.
