FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

Jan. 9th, 10.

Dear Fisher:

Enclosed please find cheque for 5 dollars. I wish I could look in upon you and see the beautiful new library; I read the account of the proceedings with great interest. How satisfactory it is that Dr. Mitchell should have lived to be present at the opening! I wish they had a S. Weir Mitchell in London to stir them up for a new building at the R.M.S.

Please do not forget about a copy of Stockton Hough's Incunabula, if you see one offered for sale buy it for me please.

With kind remembrances to all your staff.

Sincerely yours,

W<sup>m</sup> Osler
