Dear Fisher

Greeting for 1916 - Two questions -

- 1 Have you copy of Bills of Mortality London (4 to) 1665 giving deaths &c from the plague.
- 2 Have you copy collections of broadsides & pictures of the Siamese twins. - if so send list? A collection came into my possession from the Dann sale. They are not in my line, tho, very interesting - Possibly in connection with the specimens Pancoast, or some one, made a collection of the literature. Love to Dr. Henry

Sincerely yours

Wm Osler
