Dear Fisher

So sorry to hear of your loss. The first break in a family circle is specially hard. Thanks for the pamphlets. Remember me if you have sight of the Boston Med. & Surg Jr. 1846, which I want for the literature

Yours sincerely

Famous Rabbit-breeder case.

Duplicates which I have.

- 1) Braithwaite - T. 1726
- 2) Ahlers. Observations 1726
- 3) L. Gulliver. Anat. dissected 1727
- 4) Sir R. Manningham on Mary Taft.
- 5) John Howard - The original pamphlet by André 1727

Any or all at your disposal as I got an extraordinary collection on the subject the other day. 'Tis the most famous case of *hysteria* deception in literature.
