BOOKS, 1911.

In Sir William Petty's Letters 1666-1683. vol. 1.
(Bought at Phillipps' sale, April 27, 1911.)

W.O.'s note in it is as follows:-

Where these leaves are taken out I found a "Down Survey" MSS giving (1) a statement of Petty's contract with the Officers' Council, and (2) details of the finance of the Survey. I gave these to the Library of the T.C.D. on the occasion of the 250th anniversary of the School of Physics, 1912.
