(Dock reminiscences)

Dr. and Mrs. Dock with W. O. at B. M. A. Meeting. Mrs. Dock remembers someone rushing up to W. O. exclaiming, "Dr. Osler, I am so glad to see you!" "Oh, but you are mistaken, this is not Dr. Osler; I am Dr. Egerton Y. Davis from Canada." "I beg your pardon, I thought I could not be mistaken." "So many have thought that." And then W. O. turned to Mrs. Dock with a merry little twinkle in his eye, as much as to say, "Don't say a word to give me away."
