(Typewritten)

(To Dr. Sa'eed, Teheran, Persia)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

18, Dec., 1913.

Dear Sa'eed:

I have had a nice letter from Funk and one from Neligan. [ ] Funk says he will have an estimate for the repair of the tomb prepared and let me know. You, Neligan and Funk could act as a local committee.

I enclose you a cheque for the MS. Do let me know if you do not think it sufficient.

Sincerely yours,

W<sup>m</sup> Osler

Come and see us again soon. I have recently had Les Traités Mystiques of Avicenne a french translation of several of his shorter philosophical works.
